## FROM PETER AND THE FLING TEAM

Welcome and thank you for being a part of the Spring Fling. It's because of you racers that the Fling Team is able to put on these events.

Whether this is your first Fling, or you're a long time Fling participant, we are grateful for your attendance. Just as our goal was when we began this journey in 2010, we strive to exceed your expectations each and every event. If you have any issues during the event or have any questions, please come see us at our racer friendly help desk and don't hesitate to find me during or after the event.

We consider each racer a friend and look forward to creating lifelong memories together. Now let's turn some tires, have some fun, and turn on some win lights!

## Frequently Asked Questions

### What should I expect when I arrive at the gate?

Upon entering the gate, you will receive a tech card and W-9. Please bring completed tech card and W-9 to our registration table in the tower. At that point, you will receive your Fling competition car number. If you are double-entered, you will get 2 different car numbers.

### I am new to this. When do I come to the staging lanes to race?

No worries, we have you covered. Simply come to the staging lanes when your group is called. A Fling staff member (and signage) will be at the back of the staging lanes to answer any questions you may have.

### If I decide to change from single to double entry (or vice versa) who do I talk to?

Our friendly Fling Diva Desk will have a table set at the tower specifically for this. This is also where you would get your new car number to represent your change.

### What is the best way to keep up with all important lane calls/ race information?

- Text the word **GALOT** to **(347) 974-7007** (to receive text updates).
- Tune into **100.1 FM** on your Radio

### What happens if I come to the staging lanes with the wrong-colored number?

It is mandatory that you run with your color. If you come to staging before your color is called, you will be turned away and asked to come back when your color is called. *\*If your car breaks and you cannot run with your color, notify a Fling Official and we will do our best to work with you.*

### What can I expect at the Spring Fling at Darana Motorsports Park?

Our Fling Racers are family to us. Expect an inviting atmosphere combined with a professional and racer-friendly event. It's important to us that our racers have a stress-free time while racing with us. Most of all, we hope the event leaves you with memories to last a lifetime.

*Our Racer-Friendly Fling Diva Desk is located in the tower, ready to answer your questions.*

## **Rules and Race Format**

### **Double Entries Allowed in any form:**

- Same Driver/ Same Car double allowed
- One driver can drive 2 different cars
- Two drivers can 'share' a car
- Max Entries allowed per car/driver is 2

*\*If you drive a door car and a dragster (separate category vehicles), you are considered a single.*

### **Spring Fling Competition Numbers**

Each driver will be given a Fling Competition Car Number at registration once you turn in your tech card. This will also serve as your run sticker for the event.

### **NEW! Car Numbers:**

If you are Single Entered, you will be given a RED STICKER Car Number. If you are Double Entered, you will be given two Car Numbers (One RED Car Number & One BLUE Car Number).

### **NEW! General Race Format**

- RED = Single Entries & First Entry for Doubles
- BLUE = Double Entries with their Second Entry
- You will be called to the lanes by your color (RED or BLUE) for Rounds 1-4. Each color will have their own potential bye run

### **RUN ORDER (Rounds 1-4)**

- RED Door Cars
- RED Dragsters
- RED bye run
- 
- BLUE Door Cars
- BLUE Dragsters
- Blue bye run

### **RUN ORDER (Round 5 until the Ladder)**

- All Door Cars (RED and BLUE Door Cars Combine at this point)
- Door Car Bye Run
- All Dragsters (RED and BLUE Dragsters Combine at this point)
- Dragster Bye Run

### **Ladder (8 or less remaining)**

- Pro Ladder for Round of 8 cars (or less) based on their previous round R/T.
- This is also the point where door cars combine with dragsters.
- A new ladder will be generated in each of the remaining two rounds (semis & final).
- Lane choice in the ladder rounds will go to the driver with the better R/T in the previous round.

## Staging Lanes/Lane Choice

There will be designated staging lanes for racers to choose left or right lane. If we run out of pairings at the end of a round (or group), we will go to single file. When in single file, the first car in line will have lane choice between the two front-to-back racers. The Fling Staging Lanes Official will have the final say on pairings.

## Break Rule

If a driver is still in competition and breaks their vehicle (beyond repair), the driver may switch to another vehicle. Vehicle must be out of competition and **approved by a Fling Official**.

## 'New Entry' Time Runs

- There will be a 'New Entry' time run session offered on Thursday, Friday, and Saturday.
- A 'new entry' is only for new tech cards for that day. The car or driver must not have been down the track.

## Brodix Best Package Run-Off Tie-Breakers

- The best door car package and best dragster package from Wednesday Rd 1-Friday Rd 3 will 'run off' for the Brodix SR20 heads. Buyback rounds are included. Shootouts are not included.
- If multiple Door Cars or Dragsters have the same "best package", the first Tie-Breaker will be the better R/T of the "best package" and if both R/Ts are the same, the racer who did it first will be in the run-off.

## Bye Run Tie-Breakers

- If multiple racers have the same "best" reaction time, the bye run will be awarded to the driver with the best package, if multiple drivers have the same package, the second tiebreaker will be the driver who did it first. (Same rules apply when on ladder)

## Best Losing Package Tie-Breakers

- If multiple racers have the same "best" losing package, the prize will be awarded to the driver with the better reaction time, if multiple drivers have the same reaction time, the second tiebreaker will be the driver who did it first.

*\*All rules and schedules subject to change per staff's discretion*
